ABOUT TOUAX:

Founded in 1898 and listed on the Paris stock exchange since 1906, TOUAX puts its know-how and expertise in modular construction and sustainable transport to work for its customers. TOUAX has been involved in modular construction since its beginnings in the 1970s, more than fifty years ago, and today operates one of the few world-class production plants that is triple certified for quality, safety and the environment using Lean Six Sigma methodologies, enabling it to meet its customers' needs for all their projects, particularly those requiring high performance.

OUR PROMISE:

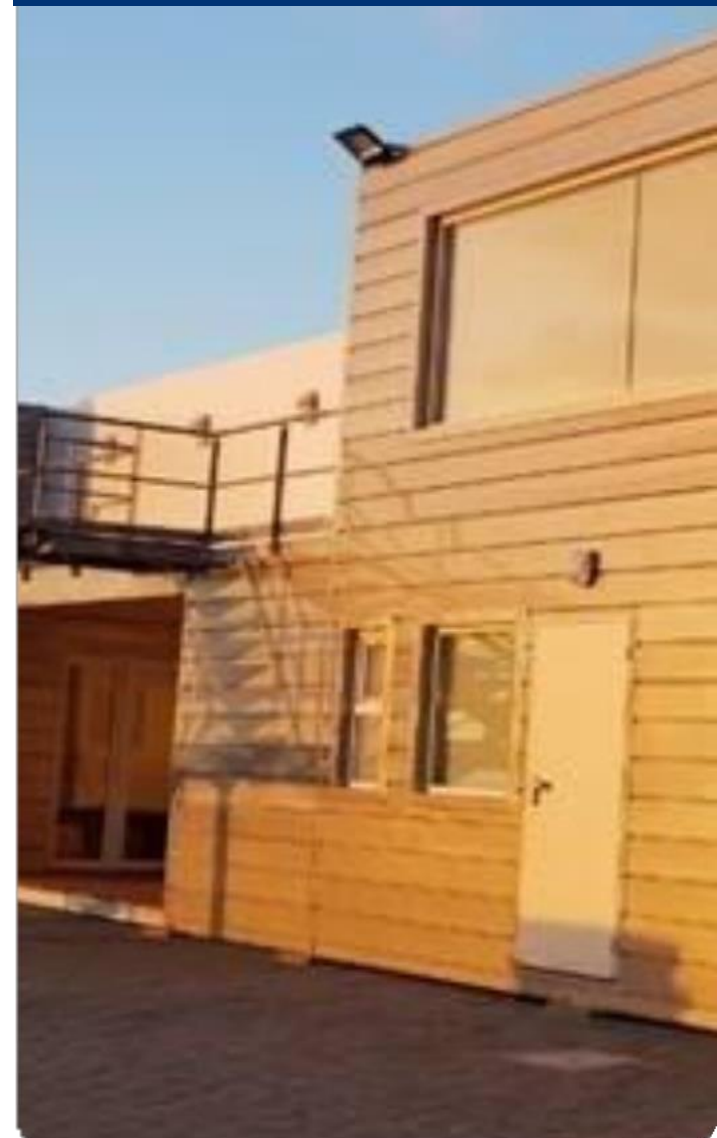

At Touax, our promise is to offer you an alternative to traditional construction by providing you with a better quality turnkey building solution, at a lower cost and with much shorter lead times, so that you can get on with it more quickly and without worrying about completion.

BENEFITS AND CERTIFICATIONS:

Our "FLEXEVENT" range of modular buildings offers a flexible layout, allowing you to configure your space to your specific needs. Thanks to our expertise in modular construction, we are able to deliver and install your spaces quickly, reducing the time needed to fit them out and getting you up and running more quickly.

At Touax, customer satisfaction and the quality of our solutions are our top priorities. Our modular solutions meet the highest standards of safety, quality and durability. Our factory is triple certified, and we rigorously follow international standards, demonstrating our commitment to excellence and customer satisfaction.

Recognising that every event has unique requirements, our modular solutions can be customised to reflect your corporate identity and culture, creating a turnkey space. What's more, our solutions are designed to maximise the use of space, allowing you to make the most of your buildings while increasing operational efficiency.
